

QUICK START GUIDE

Linea Pro® 7

For iPhone® 6s / 7 / SE

Assemble Your Linea Pro 7

To secure the top cover, insert the two (2) Torx screws provided into the back of the unit, near the top.

1. Push the top cover forward, then up to insert the iOS device.

2. Firmly connect your iOS device by sliding it onto the Lightning™ connector.

3. Tilt the top cover down, and then slide it back until it clicks into place.

Charge Your Linea Pro 7

1. Connect a USB Type-C™ Cable into the USB port on the Linea Pro 7.
2. Plug the USB end of the cable into a suitable AC wall adapter.

Note

The AC adapter must support at least 2.1 amps.

Battery Status

1. To view the LEDs, press the battery status button on the back of the unit.
2. If the unit is fully discharged and enters the Tamper Defect mode, it may only be reactivated at Infinite Peripherals.

Status %	Description
100–76	Solid green (4 LEDs)
75–51	Blink green (3 LEDs)
50–26	Blink green (2 LEDs)
25–1	Blink green (1 LED)
	Emergency low battery

Sync with iTunes®

The portable barcode scanner is designed specifically to use with iOS devices by allowing your device to sync with iTunes through the Linea Pro 7 while connected.

1. Ensure the Pass-Through Sync option is enabled in the SDK.
2. Connect the Linea Pro 7 to a computer using a USB Type-C cable.

Troubleshooting

iOS device does not sync with iTunes.

- Multi-scan mode is not enabled or supported by the software

RFID does not power on.

- Linea Pro 7 battery is too low
- Linea Pro 7 is not powered on by the software
- Faulty RFID reader

Warnings & Cautions

Please observe the following precautions:

- Keep the unit away from liquids. Do not immerse in water.
- The unit is intended for indoor use only. When not in use, place it in a cool, dry place.
- Do not place the unit near a heat source. Keep both the power supply and unit away from direct sunlight and/ or heat.
- Units should only be repaired by Infinite Peripherals.

Warranty

Infinite Peripherals does not warrant, and is not responsible for, any damage to the Linea Pro 7 ("Product") as a result of liquid or solid particle intrusion into the Product or damage caused by dropping the Product. If a material or workmanship defect arises with regard to any Infinite Peripherals product, and a valid claim is received within the Warranty Period, Infinite Peripherals (at Infinite Peripherals' sole discretion) will (1) repair the Product using new or refurbished parts, or (2) replace the Product with a new or refurbished Product. For purposes of this limited warranty, "refurbished" means a product or part that has been substantially returned to its original specifications. In the event of a defect, these are your exclusive remedies.

Note:

Box contents and part numbers may vary based on your order configuration.

Accessories & Additional Information

Contact your Infinite Peripherals sales representative for technical specifications and additional product documentation. For current and future offerings, visit our website, ipcmobile.com, or contact your Infinite Peripherals account representative for complete details.

Note

The iOS device and any other additional items shown may not be included.

Product Returns

Use the link in step 1 to create an account and gain access to our Knowledge Base and online support services. Through our online support center, you'll be able to download files, open a Support Ticket, manage your RMAs, view your account Profile and subscribe to Alerts.

To request a RMA

1. Create a user account in the RMA Support Portal at <http://ipcmobile.com/support/rma/>
2. Login to your user account, and then click Create RMA Request.
3. Read the instructions provided and complete the online request form.
4. Note the assigned RMA number and write it clearly on your shipping carton.
5. Ship your equipment to us using the address provided.
