RENTAL EQUIPMENT SETUP GUIDE

Zebra ZC10L Setup & Packing Guide

Shipment Content:

- 1 x ZC10L Card Printer
- 1 x Platen Roller
- 1 x Power Cable
- 1 x USB Cable
- 1 x Card Catcher
- 1 x Benson Box

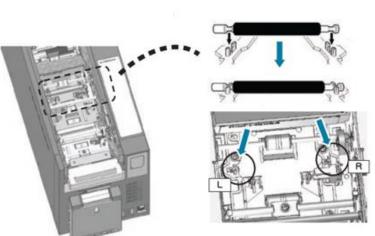

Quick Setup:

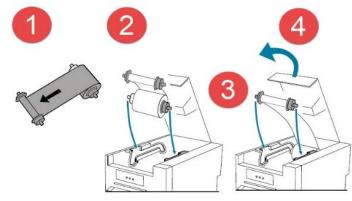

- 1. **Remove printer from the case**. Grab the printer from the bottom on both sides using the space provided in the case. *The printer is heavy, make sure to have a firm hold of the printer when pulling it out.*
- 2. **Insert cleaning roller.** See image below and/or scan this QR code for a video guide.
 - Place the printer on a flat surface and open the top door.
 - b. Push the cleaning roller into place as shown until you hear an audible click. *Pay close attention to the rollers end, the thicker end goes to the left. Please see the diagram below.*

Roller must be installed prior to use and removed before shipping printer back.

- 3. **Install Print Ribbon.** See image below and/or scan the QR code for a video guide.
 - a. Slide the supply spool into the guide rails and toward the rear of the printer. The White end of the Roll must go in first on the left side, matching the White Canal.
 - b. Slide the take-up spool into the guide rails and toward the front of the printer.
